

## Lee Tractor Co., Inc.

## REAL SOLUTIONS DEPENDABLE SERVICE

At Lee Tractor, we combine the trust and friendliness of a local, family-owned business, with professionalism and service that rivals any national company.

## RENTAL POLICY

When renting equipment from Lee Tractor, the customer must provide a qualified operator. Customer is responsible for daily maintenance such as grease, service air filter, fuel, oil checks, tire pressure and repairs, and DEF and other fluids. Customer is liable for any repairs other than normal wear. The machine must be returned in the same condition as at the time of the rental; clean, full of fuel, DEF and other daily maintenance fluids.

All rates are subject to applicable taxes. Proof of insurance and liability is due at the time of rental. Any damage caused by abuse or neglect is the sole responsibility of the customer. Rates are subject to change and are based on 8 hr/day, 40 hr/wk, and 160 hr/4 wk. All rates are FOB Lee Tractor.
